

Bala House is Rising to the Challenge...

Against the Odds

The year 2020 has been one of unprecedented challenges for Bala House and the world. Against the odds, we reopened our doors for summer camp in June and welcomed back four classrooms of students in September. The needs of the school have changed dramatically, and we are asking for the support of our full community— parents, alumni, grandparents, faculty, staff, family, and friends— now more than ever. Please consider donating to Bala House this year. The future of this great school depends on it.

Our safety commitment includes investing in the tools and staffing to ensure a successful year at Bala House.

PPE (Purell, soap, gloves, disinfecting wipes, gowns, masks)

6ft spacing requirements = 35% fewer enrolled students than normal capacity

Technology equipment for virtual specials and possible school closure (laptops, tablets, tripods, projectors, etc)

Online education software in case of possible school closure

Increased staffing for new drop-off/ pick-up procedures/ extended day offerings in 3 classrooms

Increased building cleaning services
