

Bala House Montessori's 2023 - 2024 Annual Fundraising Campaign

Is Bala "House" Montessori a Misnomer?

House: noun, [hou-ziz]

a building in which people reside; a building for human habitation.

Home: noun, [hohm]

the intangible feeling you get in a location, a sense of peace, joy from loved ones or an environment where everyone knows they're welcome.

"Home" isn't easy to define, but you know when you're there. At Bala House, children spend many hours of their childhood in our care. Like the foundation of a house, important groundwork is established here that sets our students up for success in elementary school and beyond. Most importantly, though, "home is where the heart is" and Bala House is a place where children (and their families!) are respected, encouraged, inspired and loved. It is a place of belonging, *just like home*.

Will you make a donation to our Bala House Montessori home?

Why Support the Annual Campaign?

In order to sustain a high-level, supportive learning environment, Bala House engages in annual fundraising efforts. Annual giving is an opportunity to demonstrate your recognition of Bala House's values, philosophy, and contribution to your child's life. Your gift of any size will help sustain this momentum and leave a legacy for future generations of Bala House students.

Monies raised go to **tuition assistance** for deserving families, **facility improvements**, **faculty and staff professional development** and **classroom materials**.

Thank you in advance for your support!
